**CONCORD PUBLIC INFORMATIONAL MEETING**  
***REPLACEMENT OF THE SEWALLS FALLS ROAD BRIDGE***  
***OVER THE MERRIMACK RIVER***

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Tuesday, November 16, 2004 in Concord to discuss the replacement of the Sewalls Falls Road Bridge over the Merrimack River.

This project begins approximately 1,200 feet south of the existing bridge and runs north 2,300 feet to the I-93 underpass.

This public meeting is being held to display the current concept and to obtain input. Alternatives to the proposed bridge type and location will be discussed. The project will also involve sidewalk and shoulder construction along Sewalls Falls Road within the project area.

The November 16 meeting will be held at the Beaver Meadow School Cafeteria, 40 Sewalls Falls Road, in Concord, New Hampshire. The 7:00 PM meeting will be followed by a question and comment period.
